Our commitment to employers and their employees

Our Group Protection policies give employees and their families more than just financial help. We want to help employees Be Well, Get Better, and Be Supported. when they need it. That's why we give them access to support services that help them to manage their health and access tailored support both day-to-day, and their families in the event of an employee's death.

Be Well.

Helping employees to actively manage their health

Get Better.

Emotional and practical support during bereavement

Be Supported.

A financial safety net for employees' families

“Our Group Life Assurance provides vital financial support for employees’ families should they pass away. It also comes with bereavement support services for the family to help them through the emotional trauma of losing a loved one.”

Vanessa Sallows, Claims and Governance Director, Legal & General Group Protection

Wellbeing services at a glance

For Group Life Assurance

Be Well.

Employee Assistance Programme

Our Employee Assistance Programme (EAP) is a free, day-to-day wellbeing and counselling service that provides in the moment support to employees and their immediate family, 24/7 and 365 days of the year.

Later life care

Our Care Concierge service supports employees in understanding the care options available for themselves or their elderly relatives.

Get Better.

Face-to-face bereavement counselling

Bereavement assistance and eight bereavement counselling sessions for the immediate family of an employee we're covering in the event of their death, through our Employee Assistance Programme.

Be Supported.

Prompt financial support

We aim to pay claims promptly, lump sum payments are usually made within five working days of receiving all the information we need.

Employee Assistance Programme

With a Group Life Assurance policy, all employees have access to our Employee Assistance Programme (EAP), provided by our partner Spectrum.Life. Our EAP is a free, day to day wellbeing and counselling service that provides in the moment support to employees and their immediate family, 24/7 and 365 days a year.

Get Better.

The EAP in the form of Bereavement Counselling, is also available to an employees immediate family in the event of their death, for practical and concerns such as legal and tax issues, as well as emotional support to help families deal with grief and anxiety.

Key services

Confidential 24/7 helpline

Employees can speak in confidence to experienced counsellors and advisers for friendly, non-judgemental support and information, 24 hours a day, 365 days a year. It's accessible worldwide by phone, WhatsApp and SMS.

Medical helpline

Whether employees are looking for a sympathetic ear or practical guidance, they can speak to a qualified nurse about a range of medical or health-related issues.

Legal information service

Legal issues can be worrying, so it makes sense to get free, initial information from a trained legal professional. The EAP can put employees in touch with solicitors who can help with a wide range of issues.

Spectrum.Life app

As well as the EAP support, employees can use Spectrum.Life's app to access on-demand tools and resources to manage their day-to-day wellbeing. Here they'll be able to access a digital gym, fitness plans, nutrition plans, podcasts, a monthly wellbeing webinar series, shopping discounts and much more.

Key benefits

Easily accessible, independent emotional and practical help

Can be accessed at any time; and there doesn't have to be a claim

Care Concierge

Care Concierge is a personal service to help employees understand, find and fund later life care for their loved ones or themselves. It's available to employees at no extra cost. The support of our knowledgeable care experts and key partners is designed to make Care Concierge the go-to resource for any questions about later life care.

Key services

Confidential, expert support

Employees have ongoing one-to-one telephone support and can speak to a named care expert throughout the journey.

Tailored resources

Our care experts guide employees towards relevant online tools, care guides and resources, and provide a tailored care plan.

Arranging care details

Employees can get help with finding and arranging immediate or future care, as well as find out more about power of attorney.

Funding help

Employees can use the service to explore their entitlement to NHS funding, perform a benefit entitlement check and evaluate if they are eligible for government support. They'll also receive access to financial advice about funding care.

Help with home care

Our care experts can discuss home adaptation and home help options with employees.

Key benefits

To understand the care and funding options available

Reduce the time spent to find the right care solutions

Empowering employees to feel informed

Heightened morale and workplace engagement

How to access the service

Telephone

Monday-Friday 9am-5pm

Freephone: 0800 608 823

Telephone calls may be recorded and monitored.

Financial protection

Group Life Assurance pays employees' loved ones a lump sum or a dependants' pension if the employee dies. We aim to pay the claim promptly, so the employee's family has one less thing to think about at a difficult time.

Group Life Assurance
