Shepherds Friendly Income Protection - Reviewable medical exclusions plus extra Christmas commission runs

At Shepherds Friendly, we understand that every single one of your clients is different. So, we've made an exciting change to our Income Protection plan: **all** medical exclusions are now reviewable.

On top of this, we never load premiums for any reason - the price we quote on iPipeline is the price your client will pay!

Other benefits include:

- Interactive underwriting that aims to give a decision within **24 hours**
- Choice of waiting periods, from **day one cover**, up to 52 weeks (2-year or long-term options)

Click on the **AGENCY CODES** tab. Enter your Legal & General agency number within the **Annuities** column:
