

Legal & General Home Finance

Long-Term Care: Medical Practitioner Certificate

Customer name:

Account number:

Medical Practitioner instruction:

The above borrower has a Lifetime Mortgage provided by Legal & General Home Finance. We have been informed that the borrower now requires Long-Term Care. In the event of a customer moving out of their property for this reason, an Early Repayment Charge is not payable.

The purpose of this certificate is for a medical practitioner to certify that the above borrower now requires long-term care.

Declaration to be completed by Medical Practitioner:

I certify that the above named borrower requires long-term care, which means that they require care or supervision which is necessitated by, or attributable to their physical or mental incapacity or cognitive impairment.
